At this time, I do not use affiliate links on my blog or website. I only advocate for books or other items that I like. I'm not getting paid to blog or recommend things. And, I am currently not tracking analytic data on my website, and I am not using anything other than the standard Wordpress analytics on my blog.

If you subscribe to my newsletter, it is managed by a third party (MailChimp). Data will not be sold or made available to any third parties, and you may opt out at any time by clicking the unsubscribe links available at the bottom of every newsletter.
